

Walk-In Shower vs Wet Room Decision Guide

Deomax Group - GTA Homeowner Guide 2026

Compare the two at a glance

Waterproofing	Walk-in: shower area only. Wet room: entire room tanked.
Relative cost	Walk-in: lower. Wet room: higher, more labour.
Accessibility	Walk-in: low curb. Wet room: fully curbless, roll-in.
Cleaning	Walk-in: glass to squeegee. Wet room: open floor.
Best for	Walk-in: most bathrooms. Wet room: small or accessible baths.
Resale appeal	Walk-in: broad. Wet room: niche, love-it-or-not.
